## **ACHIEVEMENT and ACTIVITY AS BOARD MEMBER OF THE EFO AND EFFO**

-As the new treasurer of the EFO (REO) in 1999, I found the account of the association in RED. Reorganise the finance of the association by setting up a new way of subscription and expenditure for the board.

- Setup the 1st EFO website in 2000.

- Organisation of the communication between members and board member (mailing list, teleconference, videoconference)

- Organisation of board meeting and AGM (room meeting, translation, accommodation, etc...)

- Setup a thorough account process: invoicing, viability, reporting, approving each expense.

- Face with success the court cases 2013 (penal and civil) against the EFO board accused of misuse of company assets.

- Maintaining healthy and transparent finance of the EFO by organizing account inspection by the EFO member's account inspectors.

- Actively involved in the merger process (name and finance) and PROM's project

- Ensuring all legal aspect of the account by maintaining a constant connection with our chartered accountant in Belgium

## **MOTIVATION FOR RE-ELECTION**

- Maintaining the good finance of the EFO.
- Continuing my task as treasurer and PROM's coordinator.
- Participating actively in all board matters.
- Welcoming new board member, in particularly future treasurer for a smooth transition in the future.
